Statement of Patient Bill of Rights

BELIEVING IT IS ESSENTIAL THAT PATIENTS ARE RESPECTED AND SUPPORTED

In recognition of the responsibility of this facility in the rendering of patient care, these rights are affirmed in the policies and procedures of
Pikes Peak Endoscopy Center.

Patients have the Right:

To receive services without regard to race, color, age, sex, sexual orientation, religion, marital status, handicap, national origin or sponsor.

To be provided reasonable physical access.

To be provided a secure environment for self and property.

To be provided with appropriate privacy.

To be treated with respect, consideration and dignity.

To expect that all disclosures and records are treated confidentially, except when required by law, and to be given the opportunity to approve or refuse their release.

To be provided, to the degree known, complete information concerning their diagnosis, treatment and prognosis. When it is medically inadvisable to give such information to a patient, the information is provided to a person designated by the patient to be a legally authorized person.

To be given opportunity to participate in decisions involving their health care, except when participation is contraindicated for medical reasons.

To receive from his/her physician information necessary to give informed consent prior to the start of any procedure and/or treatment, except in emergencies. Such information for informed consent should include the specific procedure and/or treatment, significant medical risks involved, and the probable duration of incapacitation. Where significant alternatives for medical care or treatment exist, or when the patient requests information concerning medical alternatives, the patient has the right to such information and the consequences of not complying with therapy. The patient has the right to know the name of the person responsible for the procedures and/or treatment.

To be informed, when appropriate, of treatment policy for an emancipated minor not accompanied by an adult.

To refuse treatment and be informed of consequences of refusing treatment or not complying with therapy.

To be informed as to:

- Expected conduct and responsibilities as a patient
- Services available from the facility
- Provisions for after-hours and emergency care'
- Fees for services
- Payment policies
- Right to refuse participation in investigational studies or clinical trials
- Methods for expressing grievance and suggestions to the facility
- Disclosure of ownership
- Procedure for reporting public health concerns to the appropriate authorities

To be informed of their rights to change primary or specialty physicians if other qualified physicians are available.

To be free from all forms of abuse or harassment.

To file a grievance against the center by contacting the administrator by mail or phone. If the outcome is not satisfactory a patient can contact the state licensing board through their website <http://www.dora.state.co.us/medical> or file a complaint by emailing hfintake@cdphe.state.co.us.
